Finances:

Just about what we took in during 2007 minus our outgoing expenses.

The Shoots this year are three two-day shoots:

May 24th & 25th, **Aug 9th & 10th,** **Sep 27th & 28th.**

The shoots in May and September are standard cowboy action shoots. However the August match will include a "**Josey Wales**" category during the regular shoot. If you choose to shoot the "**Josey Wales**" category you will need 4 pistols and 1 shotgun for each stage.

The September shoot is also a regular cowboy shoot but the theme will be "**Blazing Saddles**" with the stages based on scenes from the movie.

Shooters will be still be able to shoot one day (5 stages) only if they choose at a lower match price, either Saturday or Sunday.

New VMV categories are Outlaw, which requires only one pistol instead of two. This is in addition to the usual rifle and shotgun. Another category is Beginners, which will be scored as Just For Fun. You may shoot any type of

revolver, shotgun or rifle. Lead bullets are the only ammunition allowed – NO Jacketed Ammunition will be shot at the club's targets. This is to introduce new shooters to CAS.

All shoots will be held at the Forest & Stream Club in St. Johnsbury, VT. Camping will be available but please call Snake Eye to reserve a spot.

Anyone wishing to donate cowboy items for our raffle, at the shoots, contact Snake Eye. All items are appreciated.
