Springtime in Vermont, the VMV May Shoot

Spring Time In Vermont, our VMV Cowboy Shoot was held May 23rd and 24th In St Johnsbury. A new addition this year was a series of rifle targets the Club had purchased this past winter. Now these were not your usual rifle targets, as the SASS cowboy targets were almost 3 feet tall, and the SASS Marshal about 2 1/2 feet tall!!!

By Friday evening, the range was full almost overflowing with RV's. Saturday began a bit on the cool side but no Fog. 57 shooters participated in the 2 day event. Saturday was a perfect day for shooting, cool temperatures, slightly overcast and enough wind to help the "Dark Siders". Everyone seemed to enjoy the larger rifle targets and well written scenarios. After the main event Saturday, there were side events planned including s Wild Bunch Shoot.

The weatherman got it wrong Sunday...The rains arrived and after a slight delay, donning raingear, the posse headed out for the second day. The rain was "off and on" but by lunchtime had cleared, and the sun returned. Awards were handed out right after the stages had been loaded onto the trailer thanks to the help Snake Eyes had from Three Barrel Chris. Many headed home Sunday while a few decided to enjoy the sunshine and remain at the range over Memorial Day.

VMV August 8th & 9th Cowboy Shoot & RO-I Class -

The August shoot is scheduled for August 8th and 9th. There will be the option for anyone interested to shoot all 10 stages on Saturday.
